

# FAD International

## Internships & Placements Information

Term Time Paid Internship: 3 Months

Optional Industry Paid Internship on completion of the PG Programme : 6 Months

Placement: Permanent set through the on campus and onsite interviews

### Post Graduate Programme in

### Fashion Retail

### Fashion Marketing

### Fashion Communication

### Luxury Brand Management

School of Fashion at FAD International follows an industry driven project based learning environment, thus integrating live projects from the industry into the curriculum. Fashion houses and retail brands develop live projects thus allowing students to get a direct insight into the working of the dynamic industry and further honor internships during term time, thus giving student's practical learning into various aspects of the industry.

At the end of the year, HR Departments of a range of retail brands and fashion houses visit FAD International to honor on-campus jobs for positions ranging from those in retail, styling, communication, marketing, PR, sales, management, buying, business, visual merchandising, online marketing and relevant industries.

In the last year following brands have supported FAD International students and alumni with internships, projects & placements.
